

# **AS A TEACHER.....**

**Identifying and communicating objectives/outcomes clearly and consistently**

**Communicating standards and criteria for success clearly and consistently**

**Designing learning experiences that require you to be involved**

**....I will be responsible for**

**Finding out what knowledge and skills you retain and can actively use**

**Using and teaching you the strategies that characterize effective effort**

**Reteaching and requiring you to persist when you haven't reached the standard**

**Establishing work procedures and communicating expectations**

# **AS A STUDENT.....**

**Monitoring my  
attention and  
participation**

**Self-evaluation of work  
to make sure it meets  
criteria and standards**

**Coming to class  
prepared with  
materials I need  
in order to learn**

**....I will be  
responsible  
for**

**Redoing work  
and coming for  
extra help when  
my first effort  
does not meet  
the standards**

**Applying knowledge  
and demonstrating  
understanding in new  
settings and situations**

**Doing  
my best  
work**
